

	Type	Hits	Search Text
1	BRS	23	adaptive adj array adj antenna and base adj station and directivity adj pattern
2	BRS	13	adaptive adj array adj antenna and base adj station and directivity adj pattern and correlation and detect\$5 and direction
3	BRS	5	adaptive adj array adj antenna and base adj station and directivity adj pattern and correlation and detect\$5 and direction near3 arrival
4	BRS	3	adaptive adj array adj antenna and base adj station and directivity adj pattern and correlation and detect\$5 and direction near3 arrival near2 signal and channel and select\$6 near2 signal and terminal
5	BRS	2	adaptive adj array adj antenna and base adj station and directivity adj pattern and correlation and detect\$5 and direction near3 arrival near2 signal and channel and select\$6 near2 signal and terminal and despreading and antenna and direct\$6 and demodul\$7
6	BRS	17	rach near signal and base near station and antenna
7	BRS	3	rach near signal and base near station and antenna near2 array
8	BRS	2	rach near signal and base near station and antenna near2 array and detect\$6 and pattern and receiver and correlation and weight\$6 and arriv\$6 and group and direct\$7
9	BRS	1	rach near signal and base near station and antenna near2 array and detect\$6 and pattern and receiver and correlation and weight\$6 and arriv\$6 and group and direct\$7 and messag\$6 and tim\$5 and control\$5 near2 signal and transmitter and rach
